Dance Team Agreement

Welcome to Jun Lu Performing Arts dance competition team! You'll gain lifetime of great memories and friendships during this time together so enjoy every second! We strive to make this the most positive and rewarding experience for our dancers and look forward to having another incredible and exciting dance season. Our team motto: Work hard, have fun, respect all, fear none. Teamwork makes the dream work.

Purpose

The purpose of the team is to provide students with an opportunity to develop sportsmanship, character, and competitiveness. Participation on the team, as well as other extra-curricular activities, is a privilege, not a right. As a member of the competition you represent our school; and your conduct and actions in the classroom, on the court/field/stage, and in the community should be something you are proud of. Team members must show determination, dedication, and desire to be a productive member of this team. Furthermore, as our team member you shall also strive to maintain good academic performance, besides trying your best in dance.

Placement

Placement in team is based on the following criteria: technique, potential, commitment level, enthusiasm, attitude and behavior in class, attendance and stage presence. We place students together in groups that we feel will work best together in rehearsals and performances. Team members are selected via audition/by instructors, and will be invited into the appropriate class.

Attendance & Commitment

Being a member of a dance team is a privilege and comes with responsibility. Personal accountability is essential for a successful team, and commitment to your other teammates is a vital component of this success. When a member of the team is not present, it negatively impacts your entire team. Please do not consider being a part of our dance team if missing a trip to the mall or a birthday party with your friends is going to be an issue, or if you expect scheduling conflicts with other sports or activities. [A tentative schedule of competition events is included for convenience]

Just as sports teams require all players to attend practices, dance teams require their dancers to attend all classes and rehearsals. Absences will not only affect the individual dancer, but the team as a whole.

Each dancer is allowed up to **three (3) unexcused absences** from his/her classes and rehearsals in the studio school year. **Excused absences receive prior approval from the director; advance notice of absence does not necessarily mean it is excused.* The following are considered “excused” absences:

- ☐ Sad events in the family
- ☐ Scheduled school programs or performances required for credit
- ☐ Wedding or religious dedication of you or a member of your family
- ☐ If you are seriously ill or infectious

Dancers will watch company class/rehearsal in the case of injury or mild illness. These same rules apply to all other classes.

Punctuality is just as important as attendance, **please be on time and prepared for class.** Two (2) occurrences of tardiness will count as an unexcused absence.

Dance requires consistent ongoing training, for performance and safety. Dancers who excessively miss classes will not be able to perform at the same level as those who have attended all classes regularly. **Regular attendance in all required dance classes is expected of team. Excess absences from class may be cause for dismissal from the team. No refund of payment shall be given in the event of dismissal.**

Team members must be present in ALL their classes and rehearsals the week prior to every performance and competition.

If a group dancer does NOT attend a competition event, the whole team suffers. The teachers would need to re-choreograph the routine, and other dancers need to spend extra time and effort to learn about and practice the change. We understand there could be unexpected emergencies. But in the past there were some last minute skipping of a national event making the whole team unhappy for no good reason. Some teams have very harsh financial penalty for this kind of behavior. While we are not adopting financial penalty, the individual dancer could be dismissed from the team for a year if this happens for no good cause.

Team Spirit

Always respect and encourage teammates. Member parents/guardians shall cooperate with all team activities, promote positive attitude/behavior in the team.

Expenses

Besides tuitions for dance classes and team practices, team members are also responsible for costumes, competition fees and all travel expenses. If a special choreographer is invited to create choreography for a piece, there could be a shared choreography fee as well.

Competition & Events

Team members must be courteous and respectful to all competitors, show good sportsmanship. Do not speak with the judges unless prompted to do so.
